Consultation on the Draft Admissions Policy 2020/21 for Hans Price Academy and Haywood Village Academy

Hans Price Academy

Hans Price Academy follow the admissions arrangements set out in the North Somerset co-ordinated admissions scheme. The Board of Directors for the Cabot Learning Federation, with support from the Executive Team and Principal, are proposing to reduce the Published Admission Number at Hans Price Academy from 240 places to 210 places from 1 September 2020. It is also proposed that Hans Price Academy adopts the model admissions policy set by North Somerset Local Authority. There are no material changes to the oversubscription criteria.

The building for Hans Price Academy was designed at a time when the academy was significantly under capacity. The success of the Academy has seen a marked growth in student numbers. With this growth, the academy have identified some challenges in operating within the space available while still ensuring the high quality of educational provision for all students. This has resulted in the need to consider the proposed reduction. Hans Price Academy are committed to continuing to work with the Local Authority to ensure that the future needs of the community are met.

Haywood Village Academy

Haywood Village Academy follow the admissions arrangements set out in the North Somerset co-ordinated admissions scheme. It is proposed that Haywood Village Academy adopts the model admissions policy set by North Somerset Local Authority. There are no material changes to the oversubscription criteria.

The consultation period will run from Monday 17th December 2018 to Monday 28th January 2019.

Any comments on or objections to the proposals can be made during this period to Wendy Hellin, Corporate Services Assistant for the Cabot Learning Federation.
